

JLJ APTITUDE ASSESSMENT

Examination-2013

जे.एल.जे. योग्यता मूल्यांकन परीक्षा

Know Where Your Child Stands

In today's world of competition, having merely bookish knowledge is not enough to succeed. Students are expected to know things beyond their syllabi, understand concepts and apply them to solve problems. At the same time, knowing one's aptitude is essential in order to take the right career decisions.

Keeping the above needs in view, JLJ Aptitude Assessment Examination is being conducted. It has the following key benefits. You will be able to:

- Know where you stand amongst the students of various schools.
- Assess your aptitude in various areas such as mental ability, languages, mathematics and scientific applications.
- Gain practice of appearing in competitive examinations.
- Get free career guidance and counseling based on your performance in various sections.
- Toppers will be awarded scholarships and commendation certificates.

प्रतिस्पर्धा के आज के युग में, केवल किताबी ज्ञान होना सफलता के लिए पर्याप्त नहीं है। छात्रों को अपने पाठ्यक्रम से परे ज्ञान होने की उम्मीद की जाती है। छात्र समझ कर पढ़ें और समस्याओं को हल करने के लिए अपने ज्ञान का उपयोग करें, यह उम्मीद की जाती है। इसके अलावा, अपनी योग्यताओं को जानना कैरियर निर्णय लेने के लिए आवश्यक है।

ऊपर लिखी हुई जरूरतों को ध्यान में रखते हुए, जे.एल.जे. योग्यता मूल्यांकन परीक्षा आयोजित की जा रही है। इसके निम्नलिखित लाभ हैं:

- आप विभिन्न स्कूलों के छात्रों के साथ अपने प्रदर्शन की तुलना करने में सक्षम हो जायेंगे।
- आप अपनी मानसिक क्षमता, भाषा कला, गणित और वैज्ञानिक अनुप्रयोगों जैसे विभिन्न क्षेत्रों में अपनी योग्यता का आकलन करने में सक्षम हो जायेंगे।
- छात्र राष्ट्रीय और अंतर-राष्ट्रीय प्रतिस्पर्धाओं में भाग लेने का अभ्यास कर पाएंगे।
- प्रदर्शन के आधार पर छात्रों को निःशुल्क कैरियर मार्गदर्शन और परामर्श दिया जायेगा।
- अव्वल रहने वाले छात्रों को छात्रवृत्ति और प्रशंसा प्रमाण पत्र से सम्मानित किया जाएगा।

Results

Every candidate will be given a Computerized result card giving grades, indicating his/her proficiency in aggregate and each section. Percentile will be mentioned in aggregate and each section indicating comparative position of the student, amongst all students.

Test Paper Guidelines

- Test consists of objective type questions. Students need to tick the correct option.
- Students should maintain speed to answer maximum questions.
- There will be negative marking for wrong answers.
- Emphasis is on testing the aptitude of the students and guiding them for a suitable career in the future.

Test Paper will consist of the following sections:

1. **Mental Ability**
This section tests the logic and reasoning of the students in solving problems.
2. **Verbal Ability**
This section tests the vocabulary and comprehension of the students.
3. **Mathematical Ability**
This section tests the arithmetic, geometry and mathematical ability of the students.
4. **Scientific Aptitude**
This section tests the knowledge and application of science to everyday situations.
